

ACTIVINSPIRE TIPS & TRICKS

Borrowing Pages from Other Flipcharts:

1. Have the flipchart that has the page that you'd like to use open as well as the flipchart that you'd like to put the page in open.
2. From the ***Page Browser***, click and hold the ***slide*** that you'd like to put in the other flipchart.
3. Drag the ***slide*** up to the name of the other flipchart and let go.
