

ACTIVINSPIRE TIPS & TRICKS

Importing Resource Packs

You can find and download Resource Packs from Promethean Planet. Once they are downloaded, they can be imported into ActivInspire.

1. Open ActivInspire
2. Go to ***File, Import.***
3. Select either ***Resource Pack to My Resources*** or ***Resource Pack to Shared Resources.***
4. Browse to the location of the resource back.
5. Click ***Open.***
6. The resource pack will be imported.
7. Once it is done, your library will be indexed. It may take a few moments.
