Inserting Pages:

You have the option to insert blank pages before and after slides that are currently in a flipchart.

Method 1:

1. From the **Page Browser**, click on the **thumbnail of the slide** you'd like to insert a page before or after.
2. Click on the **Menu** icon on that slide.
3. Select **Insert Page**.
4. Select either **Blank Page Before Current** or **Blank Page After Current**.

Method 2:

1. Click **Insert** from the menu options across the top of the screen.
2. Click **Page**.
3. Select either **Blank Page Before Current** or **Blank Page After Current**
